"You have compiled a book every Chiropractor should use. This book goes beyond just a CPT coding manual. You have done your home work tying in all the diagnoses to the subluxation. Mark Spratford, D.C.

"I have never in my many years in the healthcare industry seen a single reference book with so much information in it. I continue to subscribe each year... knowing that I will be kept abreast of all the current information needed to keep our office running smoothly." Judy Casto, Office Administrator

"I sure love my ChiroCode DeskBook. By reading it, I finally understand insurance! And that, even after going to tons of insurance seminars and going "huh"? Thanks so much for that great book." LeAnne Deardeuff, D.C
