Missouri State Chiropractors Association

New Membership Benefit

One of the goals of the Missouri State Chiropractors Association (MSCA) is to provide our members access to resources and services that will help to improve their practices and better their lives. To that end, we are pleased to announce our endorsement of a new program being offered exclusively to MSCA members. This program offers discounted rates on a variety of insurance products and financial services, long-term care and supplemental coverage, dental and vision coverage, retirement and pension plans and free comprehensive business and individual financial planning. See the attached response for the entire list.

This benefit package is being offered through Association Benefit Services, Inc. of St. Louis. A.B.S. has over sixty years experience in insurance and financial services, and they employ over twenty professional consultants. They represent companies such as Pacific Mutual, Guardian, Prudential, Aetna, Blue Cross/Blue Shield, United Health Care, Met Life, Fortis Benefits, GE financial Assurance, Trustmark and many more.

Please complete the attached response form to receive information on any of the listed services you are interested in. If you should have questions or concerns about your current insurance or financial services programs, or for more information, please contact the Association Benefit Services representative directly. The contact information is as follows:
