

# MCPA APPLE Award Nominations

The MCPA APPLE Awards are given to Chiropractors in Missouri who go above and beyond in their community. The MCPA believes that every Chiropractic Physician who is a positive influence in their community helps to promote Chiropractic in Missouri to current and future patients; therefore, they serve as ambassadors for the chiropractic profession. The MCPA has created the APPLE Award as a way to recognize their efforts.

The criteria for those who can be nominated for the APPLE Award is:

- Must be a current member of the MCPA in good standing, or a family member or staff of a current MCPA Member in good standing.
- Must have organized or participated in an event in their community that promotes their community and/or charity awareness.

What Nominations and Award Winners Receive:

- Press Release of Award sent to Local Media & Chiropractic College
- Recognition in The Missouri Chiropractor and on MCPA Website
- Nominees Recognition and Award presentation during the Awards Dinner at MCPA Summer Expo
