SOLO

THE NEW GENERATION OF MOBILE SANITIZATION SPOTS

Imagine an organized and safer future with more peace of mind for your employees and customers.

The SOLO is a fully integrated sanitization cart that makes it easy to help reduce the spread of germs, bacteria and viruses through easy to access hand sanitizer, wipes, masks, gloves, tissues and the included waste bin.

Sani-Stop is the recognized "Go-To" Sanitization Spot with mobile solutions, specifically designed to help dramatically reduce the spread of germs and viruses by providing a recognizable location for people to use across all areas of life.

Quick & Convenient Solution

- No tools required for assembly!
- Sanitization & protection in one convenient location
- Easy to move with lockable, rolling casters
- Self-contained supply storage
- Easy to capture wipe waste
- Easy to clean, germ-resistant surfaces
- Adjustable and customizable
- Private label ready

Best Used For:

- Distribution centers & warehouses
- Hospitals, clinics & medical centers
- Nursing homes and daycare facilities
- Office building & banks
- Grocery stores & retail
- Schools & sports facilities
- Restaurants & theaters
- Churches & convention centers
- Entries and exits

SANI-STOP & GO!

WASH. RINSE. REUSE. REPEAT.

DID YOU KNOW? Did you know that you could wash your dipped gloves? In this current pandemic, hand protection will be more important than ever. We have multiple options for disposable nitrile gloves. However, demand is at an all-time high, and stock is becoming very limited. Did you know that we sell dipped gloves that offer just as much protection as

our disposable gloves? These dipped gloves are reusable, but they can be washed with soap and water just like your hands! Washing your hands with soap and water for 20 seconds is still one of the most effective ways to prevent viruses. Just choose your glove option below and follow the glove care guidelines after each use.

STEP 1		STEP 2	
DO 	DON'T 	DO 	DON'T
We recommend washing your Nitrile/Latex/Polyurethane (PU) coated gloves in a sink using mild laundry detergent or dish-washing soap. Wash thoroughly for at least 20 seconds or until gloves are clean.	Do NOT use bleach or solvents as these oxidizing agents can cause discoloration.	We recommend air-drying your gloves to prevent any material shrinkage and maintain proper sizing.	Do NOT machine dry with heat or expose the gloves to a heat source other than indirect sunlight.

Nitrile Coated Gloves

- Gray foam nitrile palm coating on 13 gauge seamless nylon liner
- Maintenance, chemical handling and processing (light to medium), fabrication, parts assembly, sheet metal, metal fabrication and grinding

Item#	Size	Price per Pair

From the CDC website Cleaning and Disinfecting for Coronavirus: For disinfection, diluted household bleach solutions, alcohol solutions with at least 70% alcohol, and most common EPA-registered household disinfectants should be effective.

Sanitizing Wipe Kit & Refills FDA, EPA and NSF D2 Approved

Standard Features:

- Can be used to clean and sanitize all hard surfaces, equipment, and more
- Independently tested to kill 99.97% of coronaviruses, specifically human coronavirus VR-740 on hard surfaces. COVID-19 is not commercially available for specific efficacy testing at this time
- Reusable bucket has an airtight lid to keep your wipes saturated and avoid contamination
- Wipers easily absorb the cleaning solution while remaining durable to handle your daily cleaning needs
- Each coreless roll pulls from the center – perfect for feeding wipes through the lid
- The cleaner/sanitizer is a proprietary blended cleaner and solution (2-in-1 product)
- Packets are pre-portioned for easy chemical dilution, no measuring required

Starter Kit Includes:

- FDA (HBD) Approved White Bucket w/Lid (7.375" High x 7.8125" in Diameter)
- Dry Wiper Roll: 300 Airlaid Cellulose-Based Wipers (6.8" x 6")
- Sanitizer & Cleaner Packet
- Instruction/OSHA Sheet & Bucket Label

POSTERS, SIGNS, FLOOR STICKERS

A healthy public drives the American economy. Mark your workplace or location to encourage social distancing with posters, signs, labels, tapes or floor stickers!

This is a just a small example of the over 550 items available in about a week.
 Low minimums - many items you can order just one!

For a complete list of items, please see our website:
