

# New Doctor Seminar

## Opening a Practice?

- Sole Proprietorship? LLC? What Structure Is Right For You?
- What Is Sales Tax Vs. Use Tax?
- Is It Better To Lease Or Buy Your Office?
- What Equipment Is Better Used And What Should Always Be Purchased New?
- Can You Negotiate Insurance Contracts?

There is so much that you need to know to be successful that it quickly becomes confusing. The MCPA has compiled experts who will be presenting a 6 hour class on business issues specific to Chiropractors that is free for MCPA members.

This seminar is designed for newly licensed doctors and those who are planning on opening a new practice in the next few years. If you do not qualify for either of these requirements but still wish to attend, you will be placed on a waiting list.
